TINY TIGERS, KIDS & LEADERSHIP PROGRAM

WE WOULD LIKE TO WELCOME YOU TO THE DECATUR CAPOEIRA MARTIAL ARTS PROGRAM..

You have joined an elite group of martial artists and our family would like to extend my congratulations to you on choosing the best organization in the area.

At Capoeira Maculele, we strive to provide our students with the highest quality of instruction by teaching valuable Capoeira techniques and essential principles of self-defense in a well rounded curriculum. We feel it is important for our students to learn in a safe, supportive, and fun atmosphere.

Capoeira Decatur offers opportunities to suit a variety of abilities and interest levels, from the beginning youth student to the elite national level competitor. The training possibilities and growth potential of any student is only limited by a student's desire to achieve.

As a student in our school, we expect you will have many questions during your training. This orientation packet and the student handbook are designed to provide information about the programs available at our school. These sources of information provide answers to many of the questions you may have.

If you have additional questions beyond what is found within this resource, please do not hesitate to ask your instructors, who are available before and after each lesson.

Congratulations on the good decision to practice and learn this beautiful art form!

HISTORY OF OUR SCHOOL:

We are a family of Capoeiristas! Father, Mother and Daughter. From the moment you enter our school, you feel and sense the utmost positive energy and family oriented atmosphere. Our professional and courteous instructors will do everything to provide the most fun and exciting ways to learn capoeira!

Grupo Maculelê Atlanta was established in December 2002 with the arrival of Mestre Fran and Mestra Sara and daughter Dandhara. With the help of the former Athletic Director for Georgia State University, Mestre Fran introduced the unfamiliar martial art to the students of Georgia State University and in 2003, Mestre Fran was hired by Emory University. From there, Grupo Maculelê spread to other schools in the area, including Emory University and University of Georgia in Athens.

Over the past years, we have hosted numerous events with special guest Mestres, Professors, and Instructors from all over the world and performed in numerous festivals through out the city of Decatur, Atlanta including the Underground Atlanta, Piedmont Park, Atlanta Area Schools, Philips Arena, Emory University, Georgia Aquarium, Georgia State and many more. Since 1982, Mestre Fran, Mestra Sara and Capoeira Maculelê have worked to promote an organization that values all dimensions of the human being, including the physical, moral, and spiritual.

We are Georgia's ONE & ONLY 10x Award-winning Capoeira school!

Parents are encouraged to have their child bring their report card to capoeira classes each time grades are given. The instructors will support you in encouraging your child's academic efforts.
