Your Graduation Day Plan

What is the Capoeira Graduation Ceremony?

The Capoeira Graduation Ceremony, also known as Batizado & Troca de Cordas, is a special tradition in Capoeira. When you or your child join our Capoeira group, you'll eventually have the opportunity to participate in this annual celebration of growth and achievement.

The Batizado is more than just a belt ceremony; it's a significant milestone in a Capoeirista's journey. During the event, students play a game of Capoeira with mestres and high-level capoeiristas who will graduate them to their next belt level. This ceremony symbolizes not just the mastery of new skills, but a deeper connection to the art, the community, and the tradition of Capoeira.

However, earning a new belt is just the beginning. Don't stop training! Reaching a new level means you're now ready to learn new movements, techniques, and strategies. It's a time to challenge yourself further, and continue growing as a Capoeirista.

The journey doesn't end with the graduation. It's only the next step toward even greater achievements!

What time do I arrive at Graduation?

The theater opens at 2:30 PM, and the event starts promptly at 3:00 PM on Saturday, May 2.

What do I wear at the Graduation Day?
